

Series 15 Pipeline Bike Rack

GENERAL SPECIFICATIONS

Metal: Series 15 Pipeline Bike Racks are constructed of 3" (7.6 cm) diameter aluminum tubing. The metal is powder coated with electrostatically applied polyester and baked at a high temperature to produce a mar-resistant finish.

Hardware: Vandal-resistant flush nuts are provided for all bolt-down models. All hardware is professionally finished with our baked-on polyester powder coating.

INSTALLATION OPTIONS

The Series 15 Pipeline Bike Rack is available in in-ground or bolt-down configurations.

In-ground: P15-BR31 installs directly into concrete to a depth of 12" (30.5cm).

Bolt-down: Fastened directly to the ground using 3/8" bolts (not provided). Vandal-resistant flush nuts are included for additional security.

METAL COLOURS

Choose from our 26 standard paint colours, or for an additional charge, choose from over 160 custom paint colours. Standard colour chips and custom colour charts are available upon request.
