

Series 16 Modern Table + Seat

GENERAL SPECIFICATIONS

Metal: Mild steel, wheel-abraded to bare metal, then precisely fabricated to final shape. The metal is powder coated with electrostatically applied polyester and baked at a high temperature to produce a mar-resistant finish.

Hardware: All hardware is professionally finished with our baked-on polyester powder coating.

INSTALLATION OPTIONS

The Series 16 Modern Table + Seat is available in bolt-down or in-ground configurations.

In-ground: Installs directly into concrete to a depth of 12" (30.5cm).

Bolt-down: Fastened directly to the ground using 3/8" anchor bolts (not provided). Vandal-resistant flush nuts are included for additional security.

OPTIONS

Metal Colours: Choose from our 26 standard paint colours, or for an additional charge, choose from over 160 custom paint colours. Standard colour chips and custom colour charts are available upon request.

Series 16 Modern Series Tables are offered as standard 4-, 5-, 6-, and 7-seat capacities. Configurations of 4 seats come standard with a 36" diameter table top; configurations of 5 or 6 seats come standard with a 48" table top; configurations with 7 seats come standard with a 56" table top.

Custom configurations of tables are available upon request.
