

## Series 7 Village Bench

### GENERAL SPECIFICATIONS

**Wood:** Clear select western red cedar. Wood members 3-1/2" x 3-1/2" (8.9cm x 8.9cm) with 3.8" (9.65cm) radius edges and 1/4" (0.64cm) ends. Top and front members are 3/4" (1.9cm) radius bullnose. Cedar is smooth sanded and sealed with penofin oil. Custom ordering for different finishes at additional cost, or no finish, is available.

**Metal:** Mild steel, wheel-abraded to bare metal, then precisely fabricated to final shape. The metal is powder coated with polyester, electrostatically applied, and baked at a high temperature to produce a mar-resistant finish.

**Hardware:** An exclusive nut design and bolt-through construction create a single, solid unit. A special wrench for vandal-resistant hardware is provided with each bench. All hardware is professionally finished with our baked-on polyester powder coating.

### OPTIONS

**Wood:** Ipe or yellow cedar may be substituted for western red cedar at additional cost.

**Arms:** Metal arms are available as shown in the photo at additional cost.

**Metal Colours:** Make your choice from 26 standard paint colours. Or, for an additional charge, choose from one of over 160 custom paint colours. Standard colour chips and custom colour charts are available upon request.

### ACCESSORIES

To give your project that professional finish, may we suggest the addition of our Series 31 receptacles. For a complete listing of our receptacles and other furnishings, please refer to the respective areas in our catalogue.
